

Product fiche pursuant to Delegated Regulation (EU) no. 65/2014

| Domestic Ovens                                                                                                                                              | Answer         |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Supplier's Name or Trade Mark                                                                                                                               | Samsung        |
| Model                                                                                                                                                       | NV70K1310BS/EU |
| Energy efficiency index (EEI cavity) for each cavity of the model                                                                                           | 103.6          |
| Energy efficiency class for each cavity                                                                                                                     | A              |
| Energy consumption per cycle for each cavity if available in conventional mode and in-fan forced convection mode (kWh electric ovens) and in MJ (gas ovens) | 0.87           |
| The number of cavities                                                                                                                                      | 1              |
| The heat source per cavity                                                                                                                                  | Electricity    |
| The volume of each cavity                                                                                                                                   | 70L            |
